Basic Information

- Brand Name: GE
- Model Number: KTZ304106
- Minimum Order Quantity: 1pc
- Price: negotiable
- Packaging Details: carton
- Delivery Time: 3-5 days
- Payment Terms: T/T, Western Union
- Supply Ability: 10-30pcs/month

Product Specification

- Warranty: 60 Days
- Lead Time: 3-5 Working Days
- Service: Outright/Exchange
- Shipping Method: Express, or As Clients Required
- Highlight: **Voluson E10 Graphic card,
N1050-205 Graphic card**

Product Description

GE Voluson E6/e8/e10 Ultrasound Graphic Card 7 EC3X0 GTX1050

Compatible system: GE Voluson E6, E8, E10

Part number:KTZ304106

Condition: in very good condition

More details welcome to contact with us!

SIEMENS ACUSON Sequoia Ultrasound System

Premium system for General Imaging and Intraventional Radiology.

The original ACUSON Sequoia™ is arguably the most popular ultrasound system we have ever created. In image quality, color sensitivity and advanced imaging modes, ACUSON Sequoia was - and still is an industry benchmark. The new ACUSON Sequoia is a remarkable evolution of a product that was so right in so many ways.

Benefits

Taking imaging to higher grounds

Unique and patented technologies were developed that allow ACUSON Sequoia to virtually eliminate color flash artifacts and

penetrate deeper than conventional ultrasound systems.

Personalize when it matters

With the new ACUSON Sequoia, the view time of contrast agents is significantly longer, allowing clinicians more time to scan for additional incidental lesions during their examinations and with up to twice the sensitivity.

System designed by users, for users

In an effort to eliminate variability, we hosted 170 workshops with 365 ultrasound users worldwide to create an ultrasound system designed by the user for the user.

New BioAcoustic™ Imaging Technology

With ACUSON Sequoia, each individual component is assembled to enable the system to accurately track the ultrasound signal throughout the signal path.

Application

Abdominal

OB-GYN

Musculoskeletal

Cardiac

Vascular

Urology

Small parts (Breast, Testis, Thyroid)

Technical Specifications

System Dimensions: 175 X 60 X 108 cm

Touch Screen: 15.6" Touch Display

Wireless Capability: Yes
