**For more details, please contact us!**

Note: All information provided here is for general reference only. Not all functions and features may be available for each system or probe. While we have compiled this information with utmost diligence, errors cannot be completely excluded.

### **Frequently Asked Questions**

**Q: What is the MOQ?**

A: 1pc.

**Q: How's the stock condition?**

A: Wide variety of Ultrasound probes available, including new, used, and compatible new options.

**Q: Is there any guarantee for the goods?**

A: All items are fully tested and safely packed before shipping, with less than 3% warranty return claims from previous orders.

**Q: Will you provide warranty?**

A: Items are typically sold with NO WARRANTY unless specifically stated in the proforma invoice/purchase order. Standard warranties are 90 days for new original equipment and 30/60 days for used.

**Q: Do you test all your goods before delivery?**

A: Yes, we perform 100% testing of all goods before delivery.

**Q: Can I have the goods returned if it is not working properly?**

A: Yes, goods may be returned in their original condition within 7 days. Refunds will be processed within 2-4 working days after confirmation (excluding freight & bank fees). Return shipping costs are the buyer's responsibility.

**Q: If faults occur after warranty date, can I contact you?**

A: Absolutely. Feel free to contact us even years later. We will investigate any faults and provide solutions or suggestions for your reference.

**Q: How about the payment terms?**

A: All orders require 100% prepayment before delivery. We accept wire transfer, Western Union, and cash payments in US dollars, Euro, or CNY.

**Q: How about delivery?**

A: We ship worldwide via DHL/EMS/FedEx Express within 1-5 working days after payment confirmation. We handle export Customs clearance, while buyers are responsible for import Customs clearance.
